

# Organize your citations

directly from the catalog

## Why it matters

**Save hours**  
when writing assignments

**Avoid errors**  
with the right format

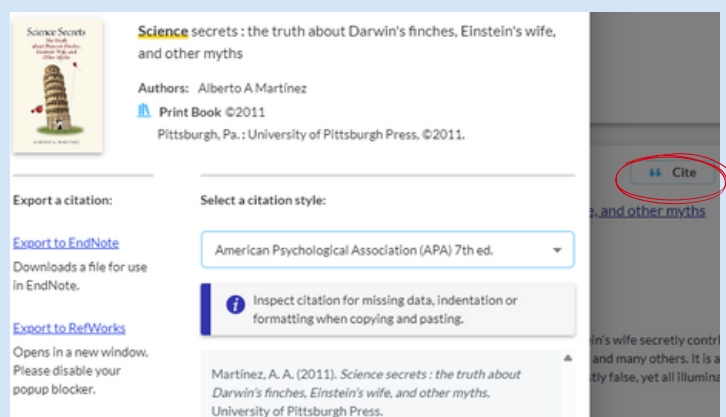

**Keep all the sources**  
organized from the start

1

## GENERATE YOUR CITATION INSTANTLY

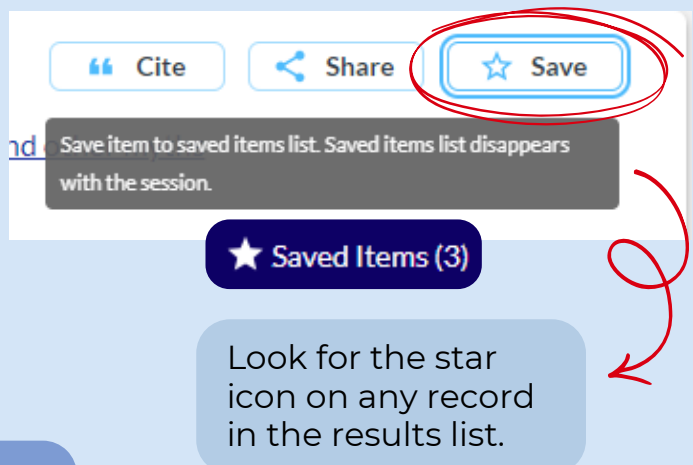

Click **“Cite”** and choose your citation style (APA, MLA, Chicago, etc.)

2

## SAVE WHAT YOU FIND

Click the ☆ (SAVE) icon to keep useful results while searching.

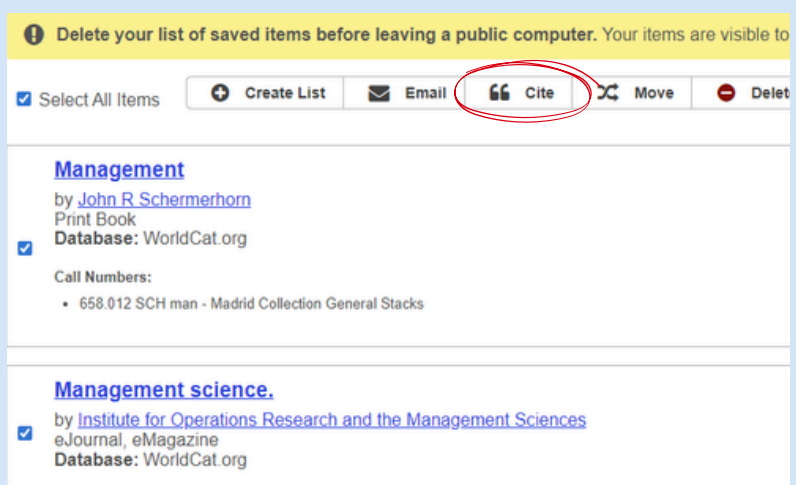

### IMPORTANT

Do not close the browser tab or you'll lose your save items

3

## TURN SAVES INTO A PERMANENT LIST

Create a new list or move items to an existing one.

New here? Click **“Create List”**, name it, and start adding

Already have a list? Select the items and click **“Move”** to add them to your list.

### PRO TIP

Don't wait until the end of your assignment to cite sources. Organize as you go, and your bibliography is already done.
