

# Planning your Syllabus Bibliography with IEU Library

## STARTING WITH THE CATALOG:

- Search by **title, author, or ISBN**
- Check which **editions** are available
- Verify if it is in **print or electronic format**
- Review current **availability**

## CHECK THE LATEST EDITION:

**Each edition has a different ISBN**  
**New editions may include:**

- Updated content
- Structural changes
- Different page numbering

### **Avoid common mistakes:**

- Incomplete or incorrect ISBN
- Listing an old edition when a newer one exists
- Copying references without verification
- Assuming an e-book exists
- Out-of-print books

## COMPULSORY $\neq$ RECOMMENDED

- Students are expected to purchase their own copy
- Preferably still in print

- Supplementary material
- More flexibility in format and availability
